Subject: Animal Control Policy

Issued: 23 February 2009

Effective: 23 February 2009

Policy:

This document establishes an animal control policy for the MYSA field complexes at both Cheat Lake and Laurel Point. All animals on the Field Complexes must be properly restrained at all times and are prohibited from running at large. At no time will pets be allowed on the playing fields. It is the responsibility of the owner to clean up animal excrement on the property as well as to ensure the actions/behavior of the animal does not cause harm to individuals or property. All animals must be licensed in accordance with county regulations, wear a vaccination tag and be on a leash no longer than six (6) feet in length and under the PHYSICAL control of a capable person.

If an individual or individuals are harmed Animal Control will be notified and appropriate actions taken, i.e. 911 alerted if needed, to include Sheriff's Dept. and EMS.
